Re: BZA Application No. 19172

Dear ANC Chair:

An Applicant on the boundary line of your ANC area is seeking zoning relief for a project or use that is not provided as a matter of right for the zoning district.

A public hearing has been scheduled by the Board of Zoning Adjustment (Board) on **Tuesday, February 2, 2016 at 9:30 am**, at the Jerrily R. Kress Memorial Hearing Room, One Judiciary Square, at 441 4th Street, N.W., Suite 220 South, Washington, D.C., 20001, concerning the following application:

Application of The Department of General Services of DC, pursuant to 11 DCMR § 3104.1, for a special exception from the new rooftop mechanical equipment requirements under § 411.11 (as per § 411.6), to allow the installation of new rooftop mechanical equipment to an existing school building in the R-4 District at premises 2425 N Street N.W. (Square 23, Lot 803).

HOW TO PARTICIPATE IN THE CASE

As described in the Zoning Regulations of the District of Columbia (Regulations), the Board gives “great weight” to the written report of an ANC on a boundary line of a subject property. Visit http://dcoz.dc.gov/resources/ANC_Filing/index.shtm for instructions on how to file the ANC report (Form 129) through the Interactive Zoning Information System (IZIS). Though ANC reports may be filed at any time prior to the Board’s final deliberation on the case, the ANC is strongly encouraged to

submit their report no later than seven days prior to the public hearing date so that the Board has ample time to consider the ANC's position.

Please note that an ANC on a boundary line of a subject property is not an automatic party to the case. To participate as a party, the ANC must file a Party Status Request (Form 140) through IZIS no later than 14 days prior to the public hearing date. Requests for party status filed after this deadline must be accompanied by a Request for Waiver of Time Requirements (Form 150).

If you have any questions or require any additional information, please call OZ at 202-727-6311.
