Subject: 615 Upshur

In conjunction with the developer and neighbors, I am requesting a postponement of consideration of the BZA case 19177, 615 Upshur Street NW. Negotiations between the neighbors and developer are on going and both sides, I believe, agree that a final agreement is very close. I believe a postponement will result in a satisfactory result on both sides.

Thank you for your consideration.

John-Paul Hayworth
4C07 Commissioner
