

Photo 1: Photo taken looking at front entrance of school (original 1931 building) on 5701 Broad Branch Road NW.

Photo 2: Photo taken looking at school from Broad Branch Road NW just north of intersection with Northampton Street NW. The original 1931 building is to the left and the 1970's open-space classroom addition (which was demolished in Summer 2015) is to the right.

Photo 3: Photo taken looking at 1970's open-space classroom addition from Southampton Street NW, just east of the intersection with Broad Branch Road NW.

Photo 4: Photo taken looking at the existing school parking lot off Northampton Street NW, which sits adjacent to a private resident at 3307 Northampton Street NW (to the right). The 1970's open-space classroom addition sits to the left of the parking lot.

Photo 5: Photo taken from the east edge of the school property at 33rd Street NW. The existing baseball diamonds sit in the foreground while the round-shaped 1970's cafeteria addition (which was demolished in Summer 2015) sits in the middle background while the 1970's classroom addition sits to the left of it. The original 1931 building can faintly be seen behind that cafeteria building.

Photo 6: Photo taken from Lafayette Park, which sits just north of the school property. The existing baseball diamonds (which are on school property) are to the left and the 1970's cafeteria addition is visible to the right.
