Dear BZA Board,

I am a resident of the same Eckington neighborhood as the applicant, a few blocks away in a neighboring SMD. Please SUPPORT this adjustment.

The applicant presented to the broader community and is trying whole heartedly to be a great neighbor while staying within the height limits.

This project is a great example of how the city should encourage well designed additions.

I live across the street from an 'ugly' pop-up and I would do anything for Colleens thoughtful approach.
