Re: BZA Application No. 19230 for 4424 Georgia Avenue NW

To Whom It May Concern:

We are the owner to 4422 Georgia Ave NW; we have received and viewed the proposed development

And understand that have applied to BZA for necessary relief to construct.

We are also aware that there is a lack of parking in the back alley they need access during the constriction period.

We have continued to give thought to zoning variance sought by the owner of 4424 Georgia Ave. We looked at proposed plan for the constriction. The first concern is where will be the parking during the constriction? Will the party wall require underpinning?

We are writing to object the application till we get clear answer.

Sincerely,

Senait Abebe
