RE: Zoning File Number 19246

Dear Mr. Farga:

The Queens Chapel Civic Association (QCCA) is pleased to lend its support to Stoddard Baptist Nursing Care at Washington Center for Aging Services to help Stoddard secure zoning approval for the use of spaces within Northeastern Presbyterian Church to provide an adult day care program for our senior community.

Mr. Edward Johnson briefed the QCCA Executive Committee on March 8, 2016 and returned on April 11, 2016 to inform the full body. We appreciated his thoroughness in discussing the benefits of the program and showing architectural renderings of the space within the Northeastern Presbyterian Church.

We would appreciate the DC Office of Zoning letting us know the outcome of its decision because we feel this adult day care program will be a great benefit to the surrounding community.

Sincerely,

Timothy Thomas

President
Queens Chapel Civic Association
