I reside at McLean Gardens at 3460 39th St. NW. I believe I am within 200 sq ft of the proposed shelter on Idaho Ave.

I have not received any notice of hearing(s) on the shelter. When I checked the list of parties who were sent notice, I see that residents of 3300, 3500, and 3600 blocks of 39th st as well as those on Newark and Porter sts are on the list of those given notice, but no one residing in the 3400 block of 39th st as I believe is required.
