Subject: Case # 19450: Support for Community-based Shelter in Ward 3

Hello,

My wife and I wanted to send a letter expressing our steadfast support of and commitment to building the community-based shelter adjacent to the Second District Police Station, 3320 Idaho Avenue, NW. My wife and I deeply appreciate Councilmember Cheh's letter explaining the plan and policy rationale for building the shelter in Ward 3. Finally, we very much appreciate Councilmember Cheh's commitment to a transparent, rigorous, and principled process -- one rooted in social science research and awareness of the public policy benefits. We admire how Councilmember Cheh has handled the process thus far and trust that all those involved in the planning and decision-making process will continue to advance this shelter and efforts to address homelessness throughout DC with the same poise, decency, and commitment to fairness and opportunity for those in our city and community.

With sincere thanks,
