To Whom It May Concern,

I want to voice my support for construction of this project in Ward 5/Brookland. I'm a Brookland homeowner, send my kids to daycare in Brookland and hope to keep them here for school when they start this fall as well. In other words, I'm an active and dedicated member of this community for the long-term. Brookland is a wonderful community, complete with a true sense of neighborliness and helpfulness. The only way to help others is not to shun them, but to welcome them as part of our community. Placing our less fortunate far away from public transportation and needed services only makes life harder on them and keeps everyone, including those more fortunate.

Thank you,  
Skye Henry
