Max,

Please delete the entire second paragraph (which starts with "The issue in the OAH appeal..."). That deletion is my requested edit.

Thanks for your consideration.

Kevin

Good evening Kevin,

I would be happy to consider any amendments – I tried to be as clear and fair as possible, but that can be in the eye of the beholder! Ideally if you want to make suggested changes in Track Changes mode, I will review and if we can agree, then get the other parties consent as well.

Best,

Max

Max,

While I would consent to postponing the hearing date to January 24, I oppose the draft motion as written due to its description of the purpose and relevance of the OAH case.

Would you consider amending the draft motion?

Regards,

Kevin
