Paul and Matt,

BZA Appeal 19550 is 1125 7<sup>th</sup> St NW – [REDACTED] connection/dwelling unit issues. There is a technical issue with this permit in that it was issued as a “revision” to 2 applications that had been cancelled 5 months earlier ... [REDACTED]

However, as regards 14-11B vesting/14-11D – that established the date of March 27. In this case B1706219 was submitted by applicant on March 24, but was not accepted as completed until March 29. BUT ... there were no changes required by DCRA, so that the application as submitted was deemed to be complete. [REDACTED]

Best,  
Max
