

I, Tammika Thompson, consent to the discussed postponement in regards to the [September 27, 2017](#) zoning hearing date. The delay is due to a misunderstanding with my ANC that Mr. Goodman believes can be possibly rectified by the October ANC meeting. Thank you Ms. Myers and if you need my further assistance please reach out via email or @[202-277-1124](#) to speak with me or my husband Bryan.
