

Three Examples of Buildings Designed to
Complement the Existing Neighborhood and Respect
Residents of Ward 8A Anacostia

- The Ambassador Baptist Church
 - Bread for The City
 - Kuehner House

The Ambassador Baptist Church 1408 Minnesota Ave SE

The church's building blends in with the existing homes on the block.

BEFORE (Prior 2007)

Bread for the City's Building (1640 Good Hope Road SE) was originally painted green . This color clashed with the surrounding homes that had tan and natural-brown colored bricks

AFTER (Post 2014)

The simple color change of green to tan significantly changed the energy of the block from cacophony to harmonious

Kuehner House

1667 Good Hope Road SE

Kuehner House has been able to maintain harmony with near buildings
