Subject: Support for LAMB PCS moving to Kingsbury

Dear Board of Zoning Adjustment,

I'm writing to express my strong support for the BZA to increase the capacity of the current Kingsbury Center property to facilitate its purchase by LAMB PCS. As a Ward 4 resident in ANC4C, I'd be thrilled to see another top-tier school located in our area. As a parent of three LAMB students, I'm eager for the school to be located within walking and biking distance of our home. More than anything, I'm very much in support of this historic building maintaining its important role as an educational facility as opposed to becoming a church or (worst case scenario) a condo building. The District's student population is increasing, especially at the elementary and middle school level, so to transition an educational facility to another use would be a disservice to our students and our community.

Many thanks for your consideration.

Sincerely,
Kate Francis
