Good Afternoon,

I am not in support of the Applicant Michael Davis to postpone or reschedule the hearing for zoning application of 19677 Plant the Seed Treatment Services. I have already submitted the justification of not supporting application 19677. I have also added the 7E commission to this email because we voted as a commission not to support Plant the Seed. Please use this for the record for his request.

Good Afternoon,

Do you still want me to be present? Also Marshall Heights Civic Association provided a letter of opposing Plant the Seed Youth Treatment Service.
