RE: BZA Application No. 19788
Embassy of the Kingdom of Norway
Square 1939 Lot 39
2720 34th Street, NW

Dear Ms. Bardin:

The Department of State hereby provides its comments concerning the application submitted to the Board of Zoning Adjustment (BZA) by the Embassy of the Kingdom of Norway regarding its desire to renovate its chancery, located at 2720 34th Street, NW, Washington, DC 20008. The application was submitted pursuant to 11 DCMR § 1002.66 and section 206 of the Foreign Missions Act (22 U.S.C. § 4306). This case is scheduled to be heard on July 25, 2018.

On behalf of the Secretary of State, and pursuant to the Foreign Missions Act (22 U.S.C. §§ 4301-4316), particularly sections 4303 and 4306, I hereby convey to the BZA the following comments and determinations concerning the subject application. These comments and determinations relate to the statutory criteria governing BZA determinations that lie within the purview of the Federal Government, namely 22 U.S.C. § 4306(d)(1), (4), and (6), as well as the pertinent portion of (d)(3).

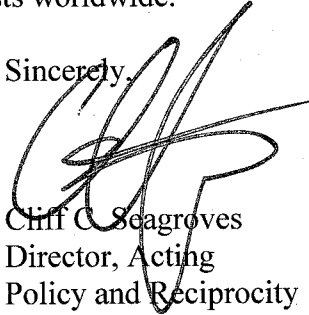

First, with respect to the criterion set forth in 22 U.S.C. § 4306(d)(1), we have determined that favorable BZA action on the present application would fulfill the international obligation of the United States to facilitate the provision of adequate and secure premises for the Government of the Kingdom of Norway in Washington, DC.

Second, pursuant to 22 U.S.C. § 4306(d)(3), after consultation with Federal agencies authorized to perform protective services, we have determined that there exist no special security requirements relating to parking in this case. I have also determined, after similar consultation, and pursuant to 22 U.S.C. § 4306(d)(4), that the subject site and area are capable of being adequately protected.

CASE NO. 19788
EXHIBIT NO. 44

Finally, pursuant to 22 U.S.C. § 4306(d)(6), there is a federal interest in this project. The Government of the Kingdom of Norway has been helpful in addressing the United States' land use needs in Oslo, Norway. Such cooperation was essential for successfully achieving the Federal Government's mission of providing safe, secure, and functional facilities for the conduct of U.S. diplomacy and the promotion of U.S. interests worldwide.

Sincerely,
