Re: Z.C. Case No. 02-26B: Request for Modification of Condition of Approval for the Lerner Health and Wellness Center (Square 42, Lot 847)

Dear Ms. Schellin:

On February 6, 2013, the University submitted a request for modification of the Zoning Commission's conditions of approval in the above-referenced case. Since that time, the University has met with ANC 2A to discuss the application, and ANC 2A voted to support the request. DDOT has also submitted a report in support of the application.

The initial request explained the justification for the proposed modification, and the University has nothing further to add at this time. The University anticipates that its presentation regarding the modification will require no more than fifteen minutes. We look forward to presenting the modification at the April 22, 2013 public hearing.

Sincerely,

David Avitabile
