Washington, D.C. 20001

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 03-26 (P.N. Hoffman, Inc. - Consolidated PUD @ 14th & V Streets, N.W.)

THIS CASE IS OF INTEREST TO ANC 1B

On July 21, 2003, the Office of Zoning received an application from P.N. Hoffman, Inc., on behalf of the owners of the property Square 235 LP, George Galich, Helen Galich Marx, Kathryn Galich Rozansky and the Washington Metropolitan Area Transit Authority (the "Applicant"). The Applicant is requesting approval of a Consolidated Planned Unit Development ("PUD"). The Office of Planning provided its report on September 2, 2003, and the case was set down for hearing on September 8, 2003. The Applicant provided its prehearing statement as part of its application on October 6, 2003.

The property that is the subject of this application consists of approximately 78,198 square feet of land area and is located at 2101-25 14th Street, N.W., Square 235, Lots 59, 60, 178, 203, 801, 815, 816, 817, 818 and 820, and a portion of a public alley proposed for closure. The subject property is currently zoned R-5-B at the interior of the site and Arts/C-3-A along 14th Street.

The Applicant proposes to construct a residential building with ground floor retail and below grade parking consisting of approximately 314,968 square feet of gross floor area, for an overall floor area ratio of 3.15. The building will have a maximum height of 90 feet in the C-3-A District and approximately 52 feet in the R-5-B District. Historic warehouses located at the interior of the square will be rehabilitated into housing units and incorporated into the new design. The project will also include a $1.1 million affordable housing component.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. The applicable time limits for oral testimony is described below. Written statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record.

Except for the affected ANC, any person who desires to participate as a party in this case must clearly demonstrate that the person's interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public. Persons seeking party status **shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**

(a) The person's name, address, and daytime telephone number;

(h) The total amount of time being requested to present their case; and

(i) A written statement setting forth why the person should be granted party status, including reference to the following:

(1) The property owned or occupied by the person, or in which the person has an interest, that will be affected by the action requested of the Commission;

(2) The legal interest the person has in said property, such as owner, tenant, trustee, or mortgagee;

(3) The distance between the person's property and the property that is the subject of the application before the Commission;

(4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and

(5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The applicant shall also provide the information indicated in (e) through (h) to the extent that the information is not contained in the Applicant's prehearing submission as required by 11 DCMR § 3013.1.
