Dear Ms. Miller:

On behalf of Dr. Donald W. Kreuzer, a resident of the ANC-2A's area, I send two attached letters. The first we submitted to the Zoning Commission to request its consideration of (the second letter) Dr. Kreuzer's letter concerning the Health and Wellness Center matter. We requested that the Zoning Commission consider his letter as part of the record on this matter as he never received notice of the proceedings. Although we have not received a formal response, we understand that the Commission is sending the letter back to us without reading it despite the direct effect the Health and Wellness Center, the dormitory on Square 43 and Townhouse Row will have on him.

We would ask that, as Commissioner of the ANC-2A and a party to this matter, you would consider raising the inclusion of Dr. Kreuzer's letter in the record as a preliminary matter at tonight's hearing.

Thank you for your time and consideration.

Best Regards,

Sarah Elizabeth Roland
