RE: Zoning Case # 03-30B (Square 643 Associates)

Dear Members of the Commission,

ANC 6D would like to request that the Zoning Commission withhold making a final decision regarding the Proposed Time Extension of PUD Zoning Case No. 03-30B (Square 643 Associates) until we have an opportunity to voice our comments regarding this matter.

It was originally planned for the applicant and his legal team to appear before our body tonight. However, they will be appearing before your body tonight at the same time as our monthly meeting. We therefore request a two-month extension to allow ANC 6D to hear from the applicant his justification for requesting such an extension.

We thank you in advance for considering our request.

Please feel free to contact me if you have any questions.

Sincerely,

Andy Litsky
Chairman
