Re: Z.C. Case No. 04-22<sup>A</sup> 220 H Street N.E.  
Application for Modification to an Approved PUD

Dear Ms. Kress:

It has come to our attention from a constituent today that the above referenced case is to appear on the September 11, 2006 Zoning Commission agenda. Notification was not sent to the official ANC 6C address, and this is the first we have heard about it. A call to Ms. Sharon Schellen in your office this morning determined from your records that notification was sent to the Single Member District commissioner, Mr. Anthony Rivera, who did not inform the chairman or other commissioners of ANC 6C. Mr. Rivera is not authorized to make decisions regarding zoning matters without the benefit of discussion of the full commission.

Our next full-commission ANC 6C meeting is on September 13, and this is two days after your current schedule calls for this matter to be on your agenda. Thus we respectfully request that the matter be postponed until the full ANC 6C commission has a chance to address the proposed modification, and in particular the increased height that this modification entails.

Thank you.

Sincerely,

  
Mark Dixon  
Chairman, ANC 6C
