CONSTRUCTION PLAN

Construction Site Management

- The site will be enclosed by a 6' temporary construction fence throughout the duration of the building construction.
- The owner's contractor will implement dust, siltation and erosion control measures.
- The hours of construction on site will be Monday – Friday 7:00 a.m. – 7:00 p.m. Saturday work as dictated by construction schedule and code.

Access to Site

- Construction entrance (and associated wash rack for truck cleaning) will be located adjacent to the alley.
- Path of travel for construction vehicles to the site will be MLK to Morris Road and then right into the construction site.

Parking

- Parking on-site, until such time that it is no longer feasible.
- Overflow parking off-site parking for construction personnel at the Union Temple Baptist Church.

Cleanliness of Site

- Streets and parking areas shall be maintained in a clean condition.

ZONING COMMISSION
District of Columbia
CASE NO.04-35
EXHIBIT NO.16K

- Adequate means will be provided to clean trucks and equipment as necessary prior to exiting site.

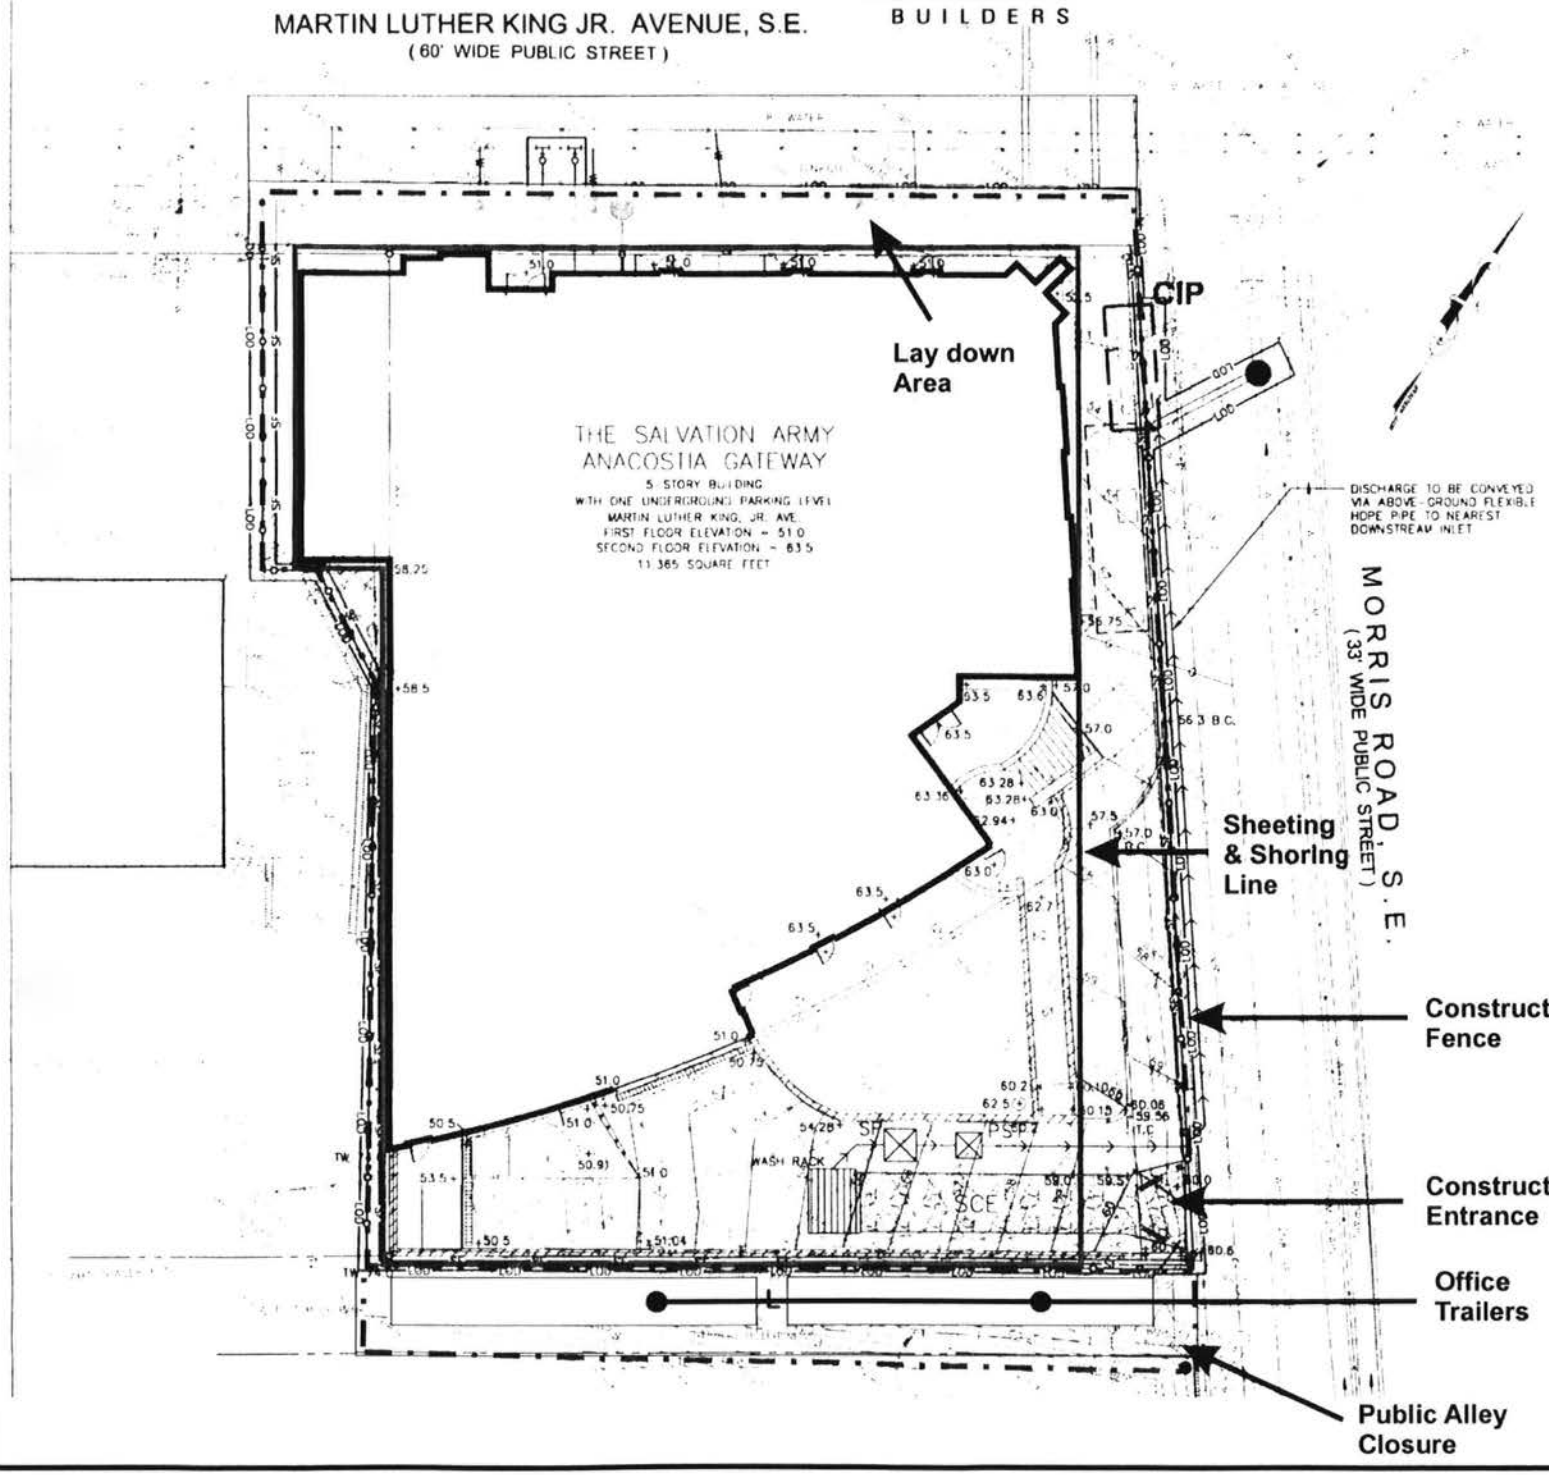

- On-site trash receptacles will be provided at convenient locations.

Complaint Procedures/Communications

- Army will install a project sign clearly posted on site listing the General Contractor name, contact person and telephone number.

- The contractor will keep the Construction Manager notified of any issues that arise on site during the progress meetings and status if follow-up is required.
