NOTICE OF PUBLIC HEARING**

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 04-36 (2480 16th Street, NW, Consolidated Approval of a PUD and Map Amendment – Dorchester House Associates, LLC and Kalorama West, LLC)

THIS CASE IS OF INTEREST TO ANC 1C

On December 24, 2004, the Office of Zoning received an application from Dorchester House Associates, LLC and Kalorama West, LLC (the "Applicant"). The Applicant is requesting approval of a consolidated planned unit development and amendment to the Zoning Map of the District of Columbia. The Office of Planning provided reports on March 4, 2005 and September 2, 2005. The case was set down for a hearing on March 14, 2005 and September 15, 2005. The Applicant provided pre-hearing submissions on July 8, 2005 and January 13, 2006.

The property that is the subject of this application, Lot 35 (also known as Lots 815 and 816) in Square 2572 (the "Subject Property") consists of approximately 158,150 square feet of land. The Subject Property is located in the Reed-Cooke/Adams Morgan neighborhood of Ward 1, but not in the Reed-Cooke Overlay District. The Dorchester House Apartments Building is located on Lot 815 which is zoned R-5-D and is generally located along 16th Street, N.W. Lot 816 is split zoned, R-5-B along 17th Street, N.W. and R-5-D to the east. The Applicant requests a Zoning Map amendment for the western portion of Lot 816 from the R-5-B District to the R-5-D District in order to construct an addition to the Dorchester House Apartments.

The addition to the Dorchester House Apartments Building (the "Proposed Addition") will consist of approximately 182,510 square feet of gross floor area that will include approximately 145 - 151 residential units. The Proposed Addition is located on the western portion of the property (Lot 816). Lot 816, which fronts on 17th Street, N.W., is currently used for surface parking. The existing Dorchester House Apartments Building ("Existing Apartments") will remain, though the parking lot will be replaced by underground parking. The Existing Apartments include approximately 415,464 square feet of gross floor area and 394 apartment units.

The Proposed Addition will be six stories in height (58 feet 6 inches as measured from the center of the 17th Street frontage). It will have two additional floors set back approximately 28 feet

from the property line rising to a height of 78 feet. The Proposed Addition steps down to the Euclid Mews project to the north and is 45 feet tall at the northern property line. The Proposed Addition will include two levels of below-grade parking that will include approximately 307 parking spaces for the residents and guests of both the Existing Apartments and the Proposed Addition. The upper parking level and the Proposed Addition's loading berth will be accessed from 17th Street, N.W. The lower parking level and the Existing Apartments' loading berth will be accessed from Kalorama Road, N.W., in the same location as the existing surface parking lot's driveway and the existing loading area. The total floor area ratio ("FAR") of the PUD project will be approximately 3.78. The Subject Property will have a lot occupancy of approximately 46.5%.

The R-5-B District permits a maximum height of 50 feet with no limit on the number of stories. There is no minimum lot area or minimum width of the lot. The maximum FAR for the R-5-B District is 1.8 and the maximum lot occupancy is 60%. Under the PUD guidelines, the maximum height for a building in the R-5-B District is 60 feet and the maximum FAR is 3.0. The R-5-D District permits a maximum height of 90 feet with no limit on the number of stories, a maximum lot occupancy of 75% and a maximum FAR of 3.5 as a matter of right. As in the R-5-B District, there is no minimum lot area or minimum lot width requirements. Under the PUD guidelines, the maximum height for a building in the R-5-D District is 90 feet and the maximum FAR is 4.5.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points.
