Re: CASE NO. 04-36 (Consolidated Approval of PUD and Map Amendment – Dorchester House Associates, LLC and Kalorama West, LLC)

Dear Ms. Mitten,

As a tenant of Dorchester House/2480 16th Street NW (Apt 932), Washington, DC 20009, and at the urging of the Dorchester Tenants Association, I am submit this letter to oppose Dorchester House Associates, LLC and Kalorama West, LCC' ("the "Applicant")'s request of approval of a consolidated planned unit development and amendment to the Zoning Map of the District of Columbia.

I will be out of town on business at the time of the Public Hearing regarding this issue, but wish to add myself as a party with others opposed to this request. I believe that I qualify for party status as a tenant (with lease agreement) of Dorchester House, as I am a current occupant of the property subject to the decision of CASE NO. 04-36.

As a tenant (with lease agreement), I have a legal interest in the outcome of the case. I oppose approval based on:

- The potential noise and physical disruption cause by the building of an addition to the Dorchester House Apartments Building (the "Proposed Addition")
- The possible substantial rent increase resulting from the addition and, resulting in a decrease the buildings diverse resident population, both in terms of socio and economic status (i.e., the building will become too expensive to occupy for middle class residents like myself)
- The possibility of future conversion of the Dorchester House from leased apartment to condominiums sold at market price values (again, out of reach, for middle class DC residents like myself)

Please feel free to contact me with any other questions or concerns at 202-884-8629 or at 202-588-0787.

Thank you for you consideration and for allowing me the opportunity to voice my opposition to the proposed request.

Sincerely,

Claudia Gray
