Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

- 1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?

The proposed expansion will ruin the quality of life for current residents and aggrivate the current affordable housing crisis

- 2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)

Tenant

- 3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)

20-30 feet / on site

- 4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?

Green space will be destroyed and parking will be reduced, adding to parking crisis. Construction will reduce peace and quiet of building.

- 5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.

Last year, elevator in Dorchester was inoperable for nine months we still have no working fire alarms. Many apartments have kitchens in disrepair, and we are charged premium rents.

- 6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

My rent may well sky rocket, problems in my building will likely worsen. This building should be brought up to snuff before we build a new one.
