Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?

Quality of life will be affected adversely before and after proposed construction. Current problems in neighborhood will be multiplied (congestion in street, parking).

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)

Tenant

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)

Line A existing building in apartment that will be very close to new building.

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?

Noise, dust, prolonged inconvenience during construction, absence of light caused by new building, increase in rent, lack of affordable housing in neighborhood.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.

The tenants in this building were not informed of the construction plans even though groups & organizations were informed several months ago. We should not have been overlooked because we will be directly & adversely affected.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.

I live in the Donsholm, they do not. I have experienced similar construction in another building & was forced to move because

A PUD on a residential site is a major situation.
