Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?

The applicant failed to address the Tenants Association of which I am a member and resident on his proposal.

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)

He owes me rent reduction in addition to compensation for depleted sources.

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)

I live on the premises that he intends to expand.

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?

He applicant's proposal could cause rental increase that could result in my displacement. Further the construction could threaten my health, safety, peace and quiet.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied.

The height of the proposed development could deny me my access to sunlight.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.
