Re. Case Number 04-36: Dorchester House Associates

To J. Kress, Chairperson and Members of the Zoning Commission:

My name is Jeffrey C Lovelace, Jr, and I live at 1660 A Euclid St, NW in Adams Morgan. I am writing to express my strong opposition to the Planned Unit Development proposed by the Dorchester. I am concerned that *this* particular proposal is simply too large, too intensive, and much, much too tall for this location. While the current Dorchester building has a 16th Street address, this new proposal would front 17th Street, a much narrower and congested residential side street.

Allowing the Dorchester to build so much higher and denser than what they could do as a matter of right will negatively impact me, my household and my quality of life. Our streets are already quite congested, and parking is nearly nonexistent. Traffic backs up onto our residential side streets during rush hour, and the main traffic arteries surrounding our neighborhood are already severely congested. This proposal would only make it worse. The physical impacts of the proposed building on the immediate and adjacent blocks would also negatively impact the general aesthetics of the neighborhood. The building itself would dwarf its neighbors and would be simply too large and tall in a neighborhood consisting of low rise buildings and townhouses.

Please do not grant a variance for the existing height allowances which allows up to 68 feet high (50 feet of building plus 18 feet of "roof structures").

I strongly encourage you to oppose this application, and to instead direct the applicant to come up with a proposal that better fits the scale of the neighborhood. I would wish to attend the Zoning Commission hearing on March 30, at 6:30 pm at 441 4th Street, NW, but have a prior commitment.

Sincerely,

Jeffrey C Lovelace, Jr
