HEERY

STEPHEN B. ALICANDRO, AIA, NCARB

Executive Associate Director of Architecture

Overview

Mr. Alicandro offers more than 29 years of diverse management and design experience. As Heery's Director of Architecture, he is responsible for the delivery of professional architectural services spanning Virginia to Maine. To ensure the high quality of professional services provided to the firm's clients, he provides management overview to ensure team performance and adherence to client objectives. He is an experienced manager with hands-on leadership in all aspects of design.

Using design/ build and traditional project delivery methods, he has successfully completed over 200 projects for private developers, federal and municipal agencies, health care and institutional organizations. His portfolio includes office, elder care, hospitals, retail, multi-family housing, industrial, and interior design projects.

His strengths come from total involvement and daily participation in the entire delivery process. He provides quality customer service and profitability through strong client relationships, consensus building and team collaboration.
