Dear Ms. Mitten:

During its meeting 21 April 2005, the Commission reviewed and approved the revised concept design for the Anacostia Gateway Government Center, the future headquarters of the District of Columbia's Department of Transportation, to be located on the Anacostia side of the 11th Street bridge at Martin Luther King Jr. Avenue and Good Hope Road, SE. The Commission appreciates your response to our previous recommendations given during the January review of the project.

We look forward to the review of the design as it develops. As always, the staff is available to assist you.

Sincerely,

Thomas Luebke, AIA
Secretary
