FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 05-15 (Broadway I Associates LLC – Planned Unit Development)

THIS CASE IS OF INTEREST TO ANC 6C

On May 23, 2005, the Office of Zoning received an application from Broadway I Associates LLC (the "Applicant"), requesting consolidated review and approval of a planned unit development ("PUD") in order to develop a residential project on the subject site. The Office of Planning provided its report and the case was set down for hearing on July 11, 2005. The Applicant provided its pre-hearing statement on August 8, 2005.

The PUD site is located at 318 I Street, N.E. (Square 775, Lots 1, 22, 23, 32, 826 and 827) ("PUD Site"). The total land area of the PUD Site is 28,353 square feet. The Project Site is located at the northwest corner of 4th and I Streets, NE, and is currently occupied by a building that was most recently used as a wholesale bakery establishment and related parking lot. The PUD Site is located in the C-2-B Zone District.

Consistent with the PUD guidelines for the C-2-B Zone District, the building will have a total FAR of approximately 5.65, will occupy approximately 85% of the PUD Site, and will be approximately 65 feet in height. The new 140 unit residential building will comprise approximately 160,000 square feet, including over 25,000 square feet of residential recreation space, and approximately 9,120 square feet of affordable housing units. The main lobby for the building will be accessed from the I Street, N.E. entrance to the project via a set of arcades, and below grade parking for approximately 140 automobiles that will be accessed from an existing public alley off of I Street, N.E. The Applicant will construct new brick sidewalks as well as landscape the proposed building on 4th and I Streets.

The architect for the Applicant is Esocoff & Associates Architects and the land use counsel is Pillsbury Winthrop Shaw Pittman, LLP.

This public hearing will be conducted in accordance with the provisions of § 3022 (Contested Case Hearings), District of Columbia Municipal Regulations (DCMR) Title 11, Zoning.

How to participate as a witness.

(h) The total amount of time being requested to present their case; and

(i) A written statement setting forth why the person should be granted party status, including reference to the following:

(4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and

(5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.
