The Applicant is requesting approval of a Planned Unit Development under the existing CR and ARTS/C-2-B District. The Office of Planning provided its report on October 7, and the case was set down for hearing on October 17. The Applicant provided its prehearing statement on November 3.

The property that is the subject of this application consists of approximately 58,023 square feet of land area and is located in the vicinity of 9th and V Streets, N.W. The subject property is zoned CR and ARTS/C-2-B.

The Applicant proposes to create a mixed use project comprising three separate buildings that will create a total of approximately 357 residential units, with approximately 17,813 square feet of affordable housing and approximately 11,995 square feet of ground floor retail.
