FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 05-18 (Hope 7 Monroe Street, LP – Consolidated PUD)

THIS CASE IS OF INTEREST TO ANC 1A

On June 21, 2005, the Office of Zoning received an application from Hope 7 Monroe Street LP (the “Applicant”). The Office of Planning provided its report on July 5, 2005, and the case was set down for hearing on July 11, 2005. The Applicant provided its prehearing statement on September 6, 2005.

The property that is the subject of this application consists of approximately 11,910 square feet of land area and is located at 1020 Monroe Street, N.W. (Square 2840, Lot 820). The subject property is zoned C-2-A.

The Applicant proposes a 37,469 square foot (3.146 FAR) mixed-use development. The existing four-story building will be renovated and two additional floors will be added, one new floor of residential and one of recreational space. The project will contain 27 residential units, 5,727 square feet of ground floor retail spaces, and three new parking spaces. The project will commit nine of the units as affordable units to low-to-moderate income families. The density of the project is proposed at 3.146 FAR with a maximum height of 64 feet, 10 inches.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. The applicable time limits for oral testimony is described below. Written statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record.

How to participate as a party.

Except for the affected ANC, any person who desires to participate as a party in this case must clearly demonstrate that the person's interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public. Persons seeking party status **shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**

- (a) The person's name, address, and daytime telephone number;

- (c) Whether the person will appear as a proponent or opponent of the application;
- (d) Whether the person will appear through legal counsel, and if so, the name and address of legal counsel;
- (e) A list of witnesses who will testify on the person's behalf;
- (f) A summary of the testimony of each witness;
- (g) An indication of which witnesses will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes or qualifications of the proposed experts;
- (h) The total amount of time being requested to present their case; and
- (i) A written statement setting forth why the person should be granted party status, including reference to the following:
 - (1) The property owned or occupied by the person, or in which the person has an interest, that will be affected by the action requested of the Commission;
 - (2) The legal interest the person has in said property, such as owner, tenant, trustee, or mortgagee;

- (3) The distance between the person's property and the property that is the subject of the application before the Commission;
- (4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and
- (5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The applicant shall also provide the information indicated in (e) through (h) to the extent that the information is not contained in the Applicant's prehearing submission as required by 11 DCMR § 3013.1. The information shall be filed no later than fourteen (14) days before the date of the hearing.

If an affected Advisory Neighborhood Commission (ANC) intends to participate at the hearing, the ANC shall submit the written report described in § 3012.5 no later than seven (7) days before the date of the hearing. The report shall also contain the information indicated in (e) through (h) above.
