

## INSTRUCTIONS

1. Attach photograph showing the Zoning Notice as seen from the public street in the space provided on the face of the affidavit. If more than one photograph is required, they should be mounted on a separate sheet of paper the same size as this form. The paper holding the photographs is to be firmly attached to this form.
2. All photographs must be at least 3" x 3" and numbered to correspond to street frontages listed on the face of the affidavit.
3. Sections 3.3d3 of the Rules of Practice and Procedure Before the Zoning Commission of the District of Columbia requiring posting of the property reads as follows:

When a Map Amendment, PUD or air space development is requested by a property owner for his property, the applicant shall give additional notice of the public hearing by posting the property with notice of hearing at least forty days in advance of the hearing. Notice shall be posted in plain view of the public at each street frontage located on the subject property. Notice will be supplied by the Executive Director of the Commission showing the calendar number of the application, the nature of the application, the name of the applicant, the property involved, and the location, time, and date of the public hearing. The applicant shall file with the Executive Director of the Commission not less than thirty days prior to the public hearing, a sworn affidavit demonstrating compliance with this rule. A form of affidavit supplied by the Executive Director of the Commission may be used, but is not required. The applicant shall attach to the affidavit a photograph of each sign after posting and as viewed by the public, identifying the street frontage of each sign. The applicant must make a reasonable effort to maintain the posting by checking the signs weekly and reposting when necessary. The applicant must swear or affirm at the hearing that this has been done.
