Subject Minor Modification of a PUD

Zoning Commission case No 05-24 (Eastgate Family Housing)

Dear Mr Hood

On March 20, 2008, ANC 7E submitted a letter of support for a proposed request to modify unit types on the above referenced project. We understand that this request will now be considered at the June 2<sup>nd</sup> meeting of the Zoning Commission

We would like to reiterate the ANC 7E Commissioners support for the proposed modification. We would also like to specifically request that the Commission permit the developer to proceed with the modification as planned, with off-street parking provided for all of the modified units. This community does not wish to see an increase in on-street parking when off-street parking can be provided in private garages and driveways

A copy of the previously submitted letter of support is attached. If you have further question, please feel free to contact me
