ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF PUBLIC HEARING

TIME AND PLACE: **Monday, March 6, 2006, 6:30 P.M.**
Office of Zoning Hearing Room
441 4th Street, N.W., Suite 220-South
Washington, D.C. 20001

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 05-25 (4th Street and Rhode Island Avenue, N.E. – H Street Community Development Corporation)

THIS CASE IS OF INTEREST TO ANC 5C

On July 29, 2005, the Office of Zoning received an application from the H Street Community Development Corporation. The Applicant is requesting approval of a planned unit development (PUD) under the existing C-3-A District. The Office of Planning provided its report on September 30, 2005, and the case was set down for hearing on October 17, 2005. The Applicant provided its prehearing statement as part of its application on December 6, 2005.

The property that is the subject of this application consists of approximately 39,190 square feet of land area and is located on the east side of 4th Street between Rhode Island Avenue and Edgewood Street, N.E., Square 3629, lot 808. The subject property is currently zoned C-3-A.

The Applicant proposes to construct a nine story apartment house containing approximately 170 units, including approximately 3,000 square feet of neighborhood serving retail space on the ground floor. The total gross floor area of the project is approximately 176,355 square feet; the proposed FAR of the building is 4.5. The height of the new building will be 90 feet. The building will contain approximately 128 underground parking spaces.

The C-3-A District permits mixed residential and commercial development as a matter-of-right, to a maximum lot occupancy of 75% for residential use, a maximum FAR of 4.0, of which no more than 2.5 may be devoted to other than residential uses and a maximum height of sixty-five feet. Under Chapter 24, the guideline for height in a PUD is 90 feet and the guideline for FAR in a PUD is 4.5, of which no more than 3.0 may be commercial.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. The applicable time limits for oral testimony are described below. Written

statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record.

How to participate as a party.

Except for the affected ANC, any person who desires to participate as a party in this case must clearly demonstrate that the person's interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public. (a) The person's name, address, and daytime telephone number;

(g) An indication of which witnesses will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes or qualifications of the proposed experts;

(h) The total amount of time being requested to present their case; and

(i) A written statement setting forth why the person should be granted party status, including reference to the following:

(1) The property owned or occupied by the person, or in which the person has an interest, that will be affected by the action requested of the Commission;

(2) The legal interest the person has in said property, such as owner, tenant, trustee, or mortgagee;

(3) The distance between the person's property and the property that is the subject of the application before the Commission;

(4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and

(5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The applicant shall also provide the information indicated in (e) through (h) to the extent that the information is not contained in the Applicant's prehearing submission as required by 11 DCMR § 3013.1.
