Dear Ms. Schellin:

The original application forms signed by the property owner, the filing fee, and twenty copies of the statement in support of the applications are attached to this letter.

These applications request the consolidated review and approval of a PUD and related Zoning Map amendment application in order to develop a residential project on the property. The property consists of approximately 353,826 square feet, or approximately 8.1 acres. The project includes the construction of 127 new townhomes in 21 different strings of three to eight units each.
