Re: ZC Corrected Order No. 05-36, Planned Unit Development at 200 K Street N.E.

Dear Ms. Schellin:

ANC 6C is in receipt of a copy of the modification of case no. 05-36, which limits access to a portion of the central plaza to residents of the proposed development. At a previous meeting of ANC 6C when this PUD came before us, there was discussion of public access to a limited portion of the development, and it is our understanding that for reasons of safety and privacy residents only will have use of the elevated terrace located within Phase I.

Thus ANC 6C has no objection to the modification. The above-mentioned discussion took place at a duly noticed, regularly scheduled ANC 6C meeting on February 13, 2008, with a quorum of 9 of 9 commissioners and the public present. The vote to support the project, including the limited public access, was 8:1:0.

Mr. Chip Glasgow of Holland and Knight requested that ANC 6C send you this notification for the record.

Do not hesitate to contact me if you have questions.

On behalf of the Commission,

Karen Wirt  
ANC 6C chair
