Dear Members of the Commission:

On behalf of the Applicant in the above-referenced case, enclosed please find one original and twenty copies of the complete page 39 that was submitted as part of the Applicant's Post-Hearing Submission on October 22, 2007. The Applicant inadvertently omitted the image on the right-hand side of the page. The image responds to questions raised by the Zoning Commission as to the view of the proposed guardrail along the H Street Overpass. Accordingly, we respectfully request that the record be re-opened to allow the correct plan page to be included in the Post-Hearing Submission.

Should you have any questions or need additional information, please do not hesitate to have Office of Zoning staff contact me.

Sincerely,

Christine Moseley Shiker
