**FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:**

**CASE NO. 05-37 (3<sup>rd</sup> and H Streets, N.E. – Capitol Place, Station Holdings LLC)**

**THIS CASE IS OF INTEREST TO ANC 6C**

On November 22, 2005, the Office of Zoning received an application from Station Holdings LLC, which was supplemented by an additional filing on March 22, 2006. The Applicant is requesting consolidated review and approval of a planned unit development (PUD) and a related zoning map amendment from C-2-A to C-2-B for a portion of the subject property. The Office of Planning provided its report on April 3, 2006, and the case was set down for hearing on April 20, 2006. The Applicant provided its prehearing statement as part of its application on May 15, 2006.

The property that is the subject of this application consists of approximately 76,700 square feet of land area and is located in the block bounded by 2<sup>nd</sup>, 3<sup>rd</sup>, G and H Streets, N.E. The property fronts on all of those streets and is known as Square 752, lots 30, 39, 40, 41, 45, 801, 804, 805, 806, 811, 813, 814, 856, 857, 2001, 2002 and 2003. The subject properties are currently zoned C-2-B and C-2-A.

The Applicant proposes to construct a mixed-use development containing approximately 305 apartment units and approximately 46,072 square feet of gross floor area devoted to retail and service uses. The building will have a maximum height of 90 feet, stepping down to the south and east sides of the project. The total gross floor area of the project is approximately 421,990 square feet; the proposed overall floor area ratio (FAR) of the project is 5.50. The project will contain a total of 403 parking spaces.

The C-2-A District permits mixed residential and commercial development as a matter-of-right, to a maximum lot occupancy of 60% for residential use, a maximum FAR of 2.5, of which no more than 1.5 may be devoted to other than residential uses and a maximum height of fifty feet. Under Chapter 24, the guideline for height in a PUD is sixty-five feet and the guideline for FAR in a PUD is 3.0, of which no more than 2.0 may be commercial.

The C-2-B District permits mixed residential and commercial development as a matter-of-right, to a maximum lot occupancy of 80% for residential use, a maximum FAR of 3.5, of which no more than 1.5 may be devoted to other than residential uses and a maximum height of ninety

feet. Under Chapter 24, the guideline for height in a PUD is ninety feet and the guideline for FAR in a PUD is 6.0, of which no more than 2.0 may be commercial.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

**How to participate as a witness.**

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. Except for the affected ANC, any person who desires to participate as a party in this case must clearly demonstrate that the person's interests would likely be more significantly, distinctly, or uniquely affected by the proposed zoning action than other persons in the general public. - (f) A summary of the testimony of each witness;

- (g) An indication of which witnesses will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes or qualifications of the proposed experts;
- (h) The total amount of time being requested to present their case; and
- (i) A written statement setting forth why the person should be granted party status, including reference to the following:
  - (1) The property owned or occupied by the person, or in which the person has an interest, that will be affected by the action requested of the Commission;
  - (2) The legal interest the person has in said property, such as owner, tenant, trustee, or mortgagee;
  - (3) The distance between the person's property and the property that is the subject of the application before the Commission;
  - (4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and
  - (5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The applicant shall also provide the information indicated in (e) through (h) to the extent that the information is not contained in the Applicant's prehearing submission as required by 11 DCMR § 3013.1. The information shall be filed no later than fourteen (14) days before the date of the hearing.

**If an affected Advisory Neighborhood Commission (ANC) intends to participate at the hearing, the ANC shall submit the written report described in § 3012.5 no later than seven (7) days before the date of the hearing. The report shall also contain the information indicated in (e) through (h) above.**
