**CASE NO. 05-37 (3<sup>rd</sup> and H Streets, N.E. – Capitol Place, Station Holdings LLC)**

**THIS CASE IS OF INTEREST TO ANC 6C**

On November 22, 2005, the Office of Zoning received an application from Station Holdings LLC, which was supplemented by an additional filing on March 22, 2006. The Applicant requested consolidated review and approval of a planned unit development (PUD) and a related zoning map amendment from C-2-A to C-2-B for a portion of the subject property. The Office of Planning provided its report on April 3, 2006, and the case was set down for hearing on April 20, 2006. The Applicant provided its prehearing statement as part of its application on May 15, 2006, and a hearing was scheduled for July 31, 2006. On July 11, 2006, the Applicant requested a postponement of the hearing in order to provide additional time for a redesign of portions of the project to respond to issues raised by the community and the Office of Planning. On January 12, 2007, the Applicant filed a modified prehearing submission, setting forth the revised design and amending the application for a zoning map amendment, which now requests a zoning map amendment from C-2-A and C-2-B to C-3-C for a portion of the project. The Office of Planning submitted a report in support of set-down on February 2, 2007, and the Zoning Commission set down the revised application for hearing at its February 12, 2007, public meeting.

The property that is the subject of this application consists of approximately 76,713 square feet of land area and is located in the block bounded by 2<sup>nd</sup>, 3<sup>rd</sup>, G and H Streets, N.E. The subject properties are currently zoned C-2-B and C-2-A.

The Applicant proposes to construct a mixed-use development containing approximately 315 apartment units and approximately 23,748 square feet of gross floor area devoted to retail, professional office, and service uses. The building will have a maximum height of 110 feet at the corner of 2<sup>nd</sup> and H Streets, NE, stepping down to the south and east sides of the project. The total gross floor area of the project is approximately 403,194 square feet; the proposed overall floor area ratio (FAR) of the project is 5.25. The project will contain a total of 323 parking spaces plus an additional 60 tandem spaces.

The C-2-A District permits mixed residential and commercial development as a matter-of-right, to a maximum lot occupancy of 60% for residential use, a maximum FAR of 2.5, of which no
