EXHIBIT NO. 18

As a tenant in Marina View Towers, I object to Fairfield's plans for two new buildings. The higher the building, the more danger an airplane may suffer a mishap and hit an Apt. building. My Apt. faces Reagan Nat'l. Airport and I see planes close by every day! So I object to putting up taller buildings here. Even if there are others taller than ours, two wrongs don't make a right!

Hope you consider it anyway. Thanks!
