Dear Ms. Mitten and Commission Members

I urge you to vote against granting zoning SP2 for Sibley Hospital's expansion. The hospital is a nice community resource but needs to fit into the neighborhood community in which it resides. The character of this community is not commercial and if Sibley wants to expand into a larger complex it should relocate to a commercial district. I would prefer seeing the zoning status for Sibley stay at the R5A level and certainly urge you to oppose granting SP2 zoning.

Thank you for your consideration.
