**Re: Zoning Commission Case No. 05-42—PUD and Zoning Map Amendment  
Letter of Support for the Sibley Hospital Project**

Dear Chairperson Mitten and Members of the Commission:

The purpose of this letter is to express my strong support for the expansion planned by Sibley Memorial Hospital. I have lived on Butterworth Place in Northwest Washington for over 10 years and feel that this is an important step for Sibley in order for the Hospital to change and grow in response to the needs of our community.

I have confidence that the appropriate traffic accommodations will be implemented in order to ensure that the character of the immediate neighborhood remains intact. I want Sibley Memorial Hospital to continue to meet our needs and believe our community must support the efforts of hospital administration to ensure this will occur. Change is difficult for all concerned, but it is part of survival.

Sincerely,

Shirley Cahill, RN
