**Re: Zoning Commission Case No. 05-42-PUD and Zoning Map Amendment  
Letter of Support for the Sibley Hospital Project**

Dear Chairperson Mitten and Members of the Commission:

The purpose of this letter is to express my support for the PUD and Zoning Map amendment application regarding Sibley Hospital's proposed construction of a medical office building.

The enhanced medical services that would become available to the people in this area far outweigh any inconvenience that might occur.

Sibley Hospital is a major asset for our community and should be allowed to rise to even higher standards of health care delivery.

I urge the Zoning Commission to grants it approval for this project.

Respectfully,

Duane H. Ekedahl
