D.C. Zoning Commission

Dears Mitten:

I see that Mr. Nimby has made an appearance in Northwest Washington where I live; his signs all but surround my house on Partridge Lane. I do not support this opposition to a very desirable development.

Sibley Hospital is a treasure of our neighborhood. The addition of good quarters for Doctors serving it will help guarantee its continued high quality of health care for citizens of the District and for neighboring communities. — a much larger group of people than its protesting neighbors. With appropriate routing of access to the new facility and adequate parking, the proposed addition will not, in any case, produce the damage to the neighborhood that its opponents fear.

I urge the Commission to approve the application.

Sincerely yours,

Nathaniel S. Preston
