Re: Zoning Commission Case No. 05-42—PUD and Zoning Map Amendment

Dear Chairperson Mitten and Members of the Commission:

The purpose of this letter is to support the PUD and Zoning Map amendment application regarding Sibley Hospital's proposed construction of a medical office building. I believe that the medical building plus the parking garage would be very beneficial and would not impact the Palisades neighborhood negatively.

I have been a resident of D.C. for over twenty years and I believe the medical building would be very beneficial to the neighborhood helping doctors to be nearer Sibley Hospital.

I believe that this project will be very beneficial to this neighborhood and will enhance the quality of life and contribute to the physical health and well being of the neighborhood, and I urge the Zoning Commission to grant its approval.

Respectfully,

Doris Thompson, *Sibley volunteer*
