**Re: Zoning Commission Case No. 05-42-PUD and Zoning Map  
Amendment  
Letter of Support for the Sibley Hospital Project**

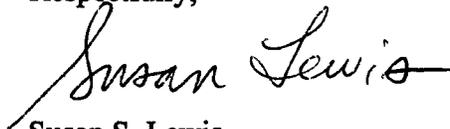

Dear Chairperson Mitten and Members of the Commission:

The purpose of this letter is to express my strong support for the PUD and Zoning Map amendment application regarding Sibley Hospital's proposed construction of a medical office building.

Sibley has long been regarded as an invaluable asset to the residents of Palisades and surrounding communities – and beyond. The hospital has an outstanding reputation for first-rate medical services and attention to community needs. This can only be enhanced by the addition of a medical office facility and related services on the campus.

I believe that the project will significantly benefit Sibley's neighbors and all area residents, and I urge the Commission to grant its approval.

Respectfully,
