RE: Zoning Commission Case No. 05-42-
PDD Zoning Map Amendment
Letter of Support for the Libby Hospital Project

Dear Chairperson Mitten and Members of the Commission

The purpose of this letter is to express my support for the referenced Amendment concerning Sidhu's proposed construction of a medical building to house medical offices, garage parking, and medical uses, such as blood work, x-ray clinics & a Pharmacy.

It is my opinion that such a facility will enhance the prestige of the Palisades Community.

I urge the Zoning Commission to grant its approval of this project.

Respectfully,

Joan Utterback
