Re: Zoning Commission Case No. 05-42 – PUD and Zoning Map Amendment
Letter of Support for the Sibley Hospital Project

Dear Chairperson Mitten and Members of the Commission:

We are writing this letter to express our strong support for the PUD and Zoning Map amendment application regarding Sibley Hospital's proposed construction of a medical office building. We believe that the proposal is entirely appropriate and that it will impact the Palisades neighborhood in a positive way.

We have lived for the past 10 years in the neighborhood, are very familiar with the Sibley Hospital, and feel very strongly that the addition of a medical office building to the hospital campus will provide important benefits for the larger community. We also believe that the proposed utilization of the building is consistent with, and complimentary to, the medical services provided by the hospital.

We strongly recommend, and urge, the Zoning Commission to grant its approval.

Respectfully submitted,

Douglas and Christiane Denby
